

Fifth Grade
Winter Concert – Check Off Sheet

When you have played each piece for your private teacher and it is concert ready, have your private teacher check off that piece in the space provided. When every piece is checked off, date the bottom of this paper and have your private teacher sign in the space provided for verification.

If you do not have a private teacher, you need to make a recording and submit it to Mr. DeLaurentis personally or via email: dominic.delaurentis@boardmanschools.org in order to receive credit for this assignment.
